What's **New?**

DS-2CD2xx3G2 ← DS-2CD2xx3G0/G1

Compared to earlier generations, Hikvision's EasyIP 2.0+ Network Cameras with AcuSense (DS-2CD2xx3G2) feature:

- Motion Detection 2.0 with AcuSense
- Better Imaging Performance
- Improved Water Resistance
- More Models with Built-in Mics

Motion Detection 2.0 with AcuSense

Motion Detection 2.0 adds a touch of intelligence to conventional motion detection. In version 2.0, Hikvision's AcuSense Technology for precise human and vehicle identification retains the original agility of motion detection while vastly improving its accuracy.
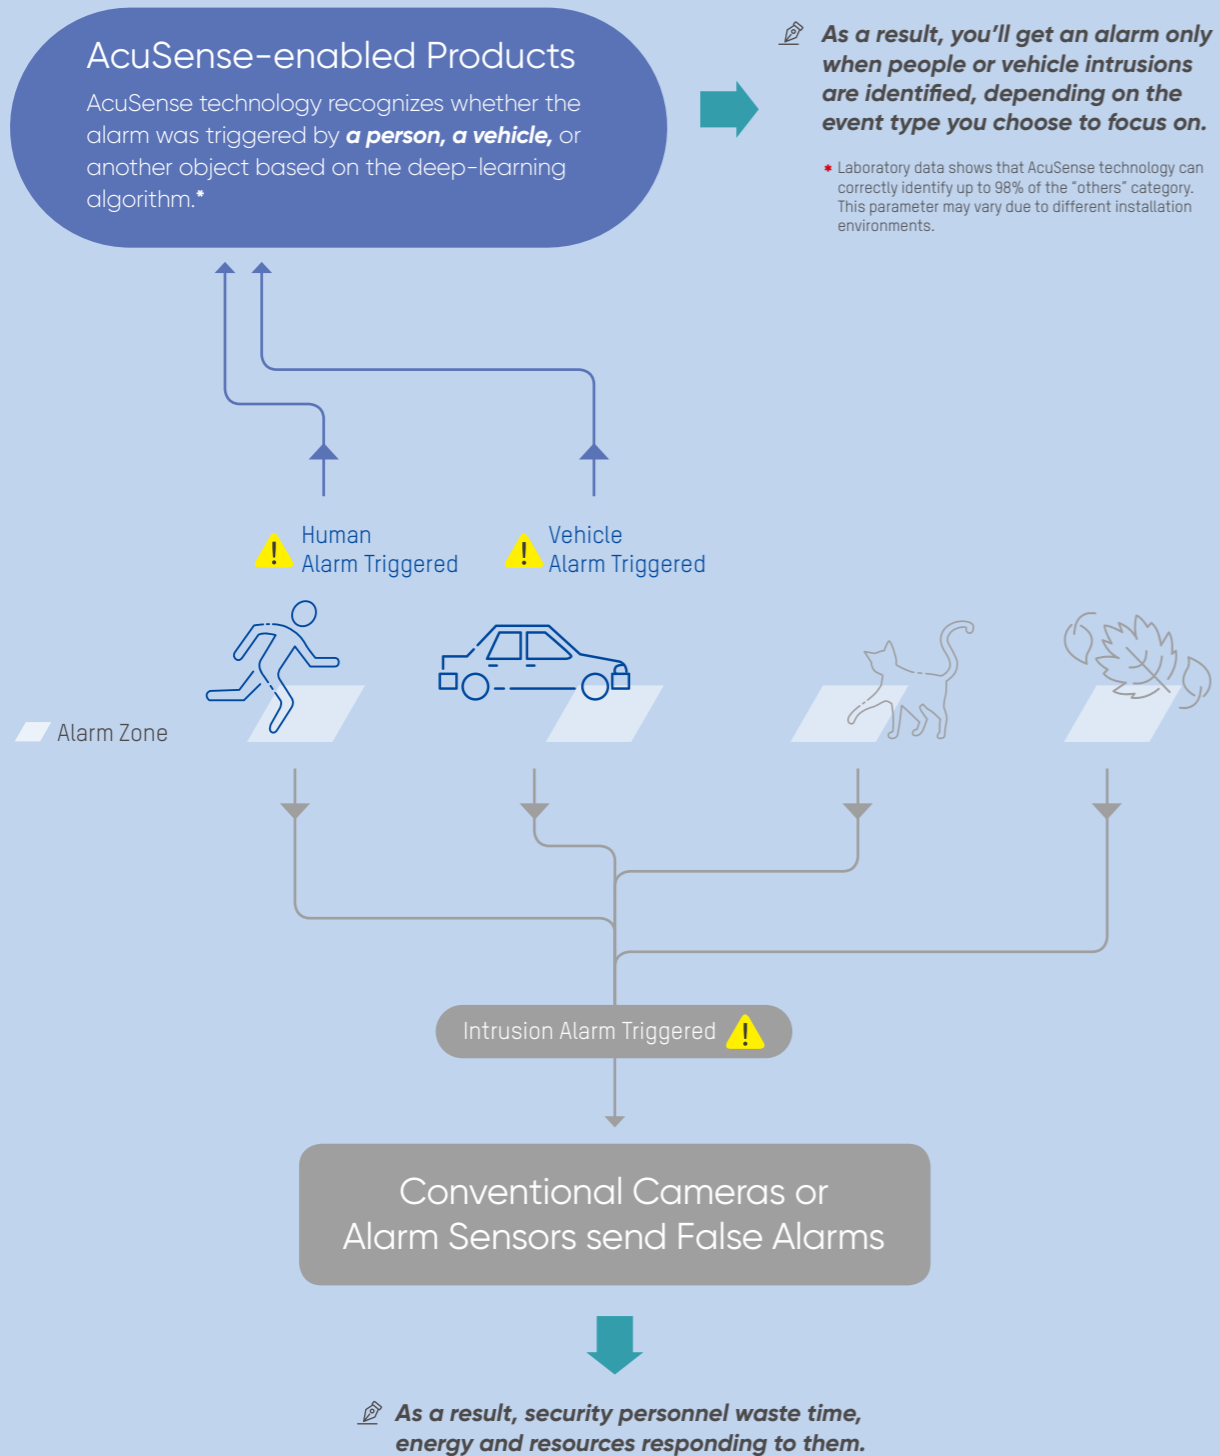

Focused
Concentrate on human and vehicle events

Efficient
*Quick target searches* for human or vehicle events

How is AcuSense different

AcuSense-enabled Products

AcuSense technology recognizes whether the alarm was triggered by **a person, a vehicle,** or another object based on the deep-learning algorithm.*

✎ **As a result, you'll get an alarm only when people or vehicle intrusions are identified, depending on the event type you choose to focus on.**

✦ Laboratory data shows that AcuSense technology can correctly identify up to 98% of the "others" category. This parameter may vary due to different installation environments.

⚠ Human Alarm Triggered

⚠ Vehicle Alarm Triggered

Alarm Zone

Intrusion Alarm Triggered ⚠

Conventional Cameras or Alarm Sensors send False Alarms

✎ **As a result, security personnel waste time, energy and resources responding to them.**

Better Imaging Performance

EasyIP 2.0+ Network Cameras with AcuSense provide sharper details and better WDR performance.

DS-2CD2xx3G0

DS-2CD2xx3G2

Ease of Use

The AI-powered human & vehicle identification is ON by default. You can enjoy the convenience of smart features with no extra installation or configuration effort than using a traditional CCTV camera.

What Are the Options?

Fixed Lens Network Cameras

• Up to 4K resolution
• 2.8, 4, or 6 mm focal lengths
• F1.6 aperture
• 120 dB WDR
• IP67, IK10
• -U: built-in mic

DS-2CD20x3G2
• EXIR Mini Bullet
• 2, 4, or 6 MP, or **4K**

DS-2CD21x3G2
• EXIR Dome
• 2, 4, or 6 MP, or **4K**

DS-2CD23x3G2
• EXIR Turret
• 2, 4, or 6 MP, or **4K**

DS-2CD24x3G2
• EXIR Cube
• 2, 4, or 6 MP, or **4K**

DS-2CD25x3G2
• EXIR Mini Dome
• 2, 4, or 6 MP, or **4K**

DS-2CD2Tx3G2
• EXIR Bullet
• 2, 4, or 6 MP, or **4K**

DS-2CD2Ex3G2
• Recessed Dome
• 2 or 4 MP

Motorized Varifocal Network Cameras

• Up to 4K resolution
• 2.8 to 12 mm focal lengths
• F1.6 aperture
• 120 dB WDR
• IP67, IK10

DS-2CD26x3G2
• EXIR VF Bullet
• 2, 4, or 6 MP, or **4K**

DS-2CD27x3G2
• EXIR VF Dome
• 2, 4, or 6 MP, or **4K**

DS-2CD2Hx3G2
• EXIR VF Turret
• 2, 4, or 6 MP, or **4K**

Where can They be Used?

EasyIP 2.0+ Network Cameras with AcuSense are well-suited for a variety of applications where users are looking for excellent imaging, affordable AI features, and an abundance of options.

Homes

Stores & Shops

Hotels & Motels

Warehouses

Calling all Hikvision distributors and installers!

By delivering innovative, AI-powered security features at an affordable price point, AcuSense helps Hikvision installers and distributors to sell more, and deliver even more value for customers. This helps all our installers and distributors to build stronger, longer, and more profitable customer relationships.

As an additional benefit, AcuSense-enabled cameras are as easy to install and configure as traditional CCTV cameras, so installers can begin delivering this exciting new technology for customers quickly, and with minimal training. Hikvision also provides all the information and support needed to get started quickly!

For more information on the benefits of Hikvision AcuSense for installers and distributors of Hikvision products, please contact us today.
